I have included the last four personnel because many of the members may remember them from post War II - Hec Munro was the OC of the PPCLI Depot in Edmonton prior to his discharge in about 1957; RAD Kelly was a Lcpl in "A" Coy prior to WW II and later retiree as Major RCASC- I served with him for at time at the RCASC School in 1952; Cec REHILL was Co-ordinating Officer Eastern Command I Cadre in 1952 and later was OC PPCLI Depot at Edmonton, he is living in Vernon. As you know Vince Lilley ended his carrer as Lt Col - I am not sure where.
